North Shore Plumbing Heating AC and County Plumbing & Heating Partner

Grand Marais/Lutsen, Minn. July 1, 2024 – North Shore Plumbing Heating AC of Grand Marais, Mn is partnering with County Plumbing & Heating of Lutsen, Mn as of July 1, 2024. The companies announced Monday “we are excited about this opportunity to partner as it will bring two family operated businesses together to be the leading plumbing, heating and air conditioning contractor in the local service area of Cook County.

“As a family-owned and operated business since 1988, we try to treat our employees and customers like family. We are envisioning the two companies coming together to serve the community better, taking the best from both companies,” said Justin Greeley, NSPHAC Owner.

Justin Greeley who took over his Dad’s plumbing and heating business in 2003 grew the company to 3 locations with 25+ employees. In 2022 Justin and his wife, Pamela, moved to Cook County after selling Greeley Plumbing, Heating & A/C to their major competitor, Ellingson’s of Alexandria, Mn. Justin is a master plumber with 30 years of experience.

“Originally, we thought we would stay small and not hire employees when we moved to Cook County. But, after seeing the need we hired our first employee, an 8 year HVAC professional and currently we have 4 professionals on staff ranging from 8 to 30 years experience each.”

County Plumbing & Heating was started by Jim West in 1980. His son, Tim Goettl, purchased the company from his father in 2000 and has continued to serve Cook County with dedication and expertise. Tim is a master plumber with 39 years of experience and leads a team of four committed professionals.

“We chose to merge with North Shore Plumbing Heating AC to ensure a bright future for our employees and customers, said Tim Goettl, owner of County Plumbing and Heating. “This merger allows us to combine our experience and resources to better serve our community. We are so appreciative of our dedicated team and grateful for the opportunity to serve our community for so many years,” said Tim and Tanya.

North Shore Plumbing Heating AC DBA County Plumbing & Heating will offer new construction residential and commercial plumbing and HVAC, remodel, and service/maintenance of most makes and

models of heating and cooling equipment. Call Tim at 218-663-7873 or Justin at 218-370-9669 for all your upcoming projects. We are excited to serve you!
